Our GREEN PALACE TRAVEL & TOURS Co.ltd was established at 2001 year and we well operated Inbound Tourism for very long time from up to now. Next few soon, we will be run Out Bound Tour Operation.

We also cooperated with one of the best travel agency Golden Triangle Travel & Tours LTD, it was based in Germany, the Managing Director was Mr. Autur Neumann, we worked together about 8 years long time and up to now. His wife was Ms. Cherry and we also have very friendly travel and tours cooperation.

We also advertised our web site connected with Golden Triangle Travel & Tours. We connected many web sites with Europeans countries. We got a lot of German visitors which connected by Golden Triangle Travel & Tours, like as package tours around in our country Myanmar. German tourists are very satisfied with us.

The German visitors are 100 % satisfied with us. The parents of Mr & Ms. Autur , they also have been visited about 3 times to our country.
